\*Guaranteed Issue Whole Life is an endowment policy with a benefit payable on the policy's maturity date or at the insured's death prior to age 100.

<sup>1</sup>So long as premiums are paid.

Policy forms: 200-670 (UHL); 18-670 (UFFL).

Product availability varies by state.

<sup>2</sup>During the first three policy years the benefit for death by natural causes is a refund of all premiums paid to date plus interest. For deaths due to accidental causes during the first three policy years (see policy for limitations), the full death benefit will be paid. Beginning day one of policy year four, the full death benefit is payable.
