## features:

- Protector AD's accidental death benefit is guaranteed to double over the first 20 years.
- Premiums are level for the first 20 years and are guaranteed.
- Coverage is guaranteed renewable so long as premiums are paid on time.
- The policy builds cash value which, after the 20th year, equals 20 annual premiums.
- At the end of the 20th year, a return-of-premium (ROP) option is available, and is based on the annual premium.
  - Assumes all premiums are paid on time and no policy debt. If the ROP option is elected, the coverage terminates.

## WE MAKE IT simple

There's just one non-health underwriting question<sup>^</sup> on the Protector AD application:

*In the past three (3) years, have you had any participation in, or contemplate any future participation in any hazardous sport or aviation, or had your driver's license suspended or revoked, or in the past five (5) years have you been convicted of operating a vehicle while intoxicated?*

If you can answer this question "no", we'll issue the policy.\*\*

Protector AD can be a valuable addition to your existing insurance portfolio. It's affordable coverage with built-in guarantees that provides protection for your loved ones when the unexpected happens.
